### **1. INTRODUCTION/PURPOSE**

Discuss and consider action on a "resolution of support by the governing body" and a letter of commitment to maintain improvements, both of which are required components of the City's forthcoming application for Transportation Alternatives grant funding.

## 2. DESCRIPTION/JUSTIFICATION

#### a) Background

The City is pursuing grant funding through TXDOT's Transportation Alternatives Grant Program for construction of a pedestrian bridge at the intersection of RR 620 and Bee Cave Parkway, Special Use Paths along Bee Cave Parkway and a sidewalk on Tordera Dr.

#### b) Issues and Analysis

As part of the application, the entity requesting the funding must provide a resolution of support by the governing body for the application and a commitment to maintain the improvements upon being funded. Regarding the latter, although the City may elect to enter into an agreement with the Economic Development Corporation for maintenance of the improvements because the EDC maintains nearby pedestrian infrastructure, staff recommends pursuing that later in order to meet the application deadline and avoid unnecessarily complicating our response on this component.

## STATE OF TEXAS § SCOUNTY OF TRAVIS §

est da

P

This Interlocal Agreement between Travis County and the City of Bee Cave for Road and Bridge Projects (the "Agreement") is made and entered into by the City of Bee Cave, a home rule municipal corporation with its offices located at 4000 Galleria Parkway, Bee Cave, Texas 78738, hereinafter referred to as the "City", and Travis County, Texas, a political subdivision of the State of Texas having a mailing address of P.O. Box 1748, Austin, Texas 78767, hereinafter referred to as the "County", and collectively the "Parties", each acting by and through its duly elected officials:

#### WITNESSETH:

WHEREAS, each city and county in Texas is responsible for providing for public health, safety, and welfare within its jurisdiction in the best manner it sees fit;

WHEREAS, the County proposed certain improvements to a low water crossing on a county road called Great Divide Road ("Great Divide"), which is shown on Exhibit A; and

WHEREAS, the City prefers that different improvements be made to Great Divide; and

WHEREAS, the City intends to assume jurisdiction and responsibility over Great Divide by annexing it and then constructing its alternative improvements; and

WHEREAS, the City and County desire the County to enter into an agreement with the Lake Travis Independent School District (the "District") for construction of a bridge and roadway (the "Vail Divide Southern Extension") between Hamilton Pool Road and Highway 71, as shown on Exhibit B, to provide access to a new District school currently under construction; and

WHEREAS, while most of the Vail Divide Southern Extension right of way is outside the City's city limits, a portion of that right of way, as described and depicted in **Exhibit** C, is in the city (the "City Roadway Portion"); and

WHEREAS, the City Roadway Portion may need to be disannexed to allow the County to pay for construction of that part of the Vail Divide Southern Extension; and

WHEREAS, the County and the City can each take certain actions that will expedite the other Party's road improvement project and thereby serve and benefit the citizens of both jurisdictions; and

WHEREAS, the City and the County intend to conform this Agreement in all respects to

708934

TEX. GOV'T CODE § 791.001 et. seq., as amended, more commonly known as "The Interlocal Cooperation Act."

#### NOW, THEREFORE, it is mutually agreed as follows:

#### I. TERM OF AGREEMENT.

The term of this Agreement shall commence on the date of approval of this Agreement by the County and the City and shall continue in full force and effect until the City has successfully annexed Great Divide and, if necessary, de-annexed the City Roadway Portion and the Vail Divide Southern Extension and alternative improvements to Great Divide have been constructed.

II.

#### RIGHTS AND RESPONSIBILITIES OF THE PARTIES

This Agreement shall govern the procedure by which the County and City intend to exchange jurisdiction over Great Divide and the City Roadway Portion and the jurisdiction of the City over construction of the Vail Divide Southern Extension project.

A. As a tier 2 city, annexation of Great Divide by the City is subject to Local Gov't Code Section 43.1055, which provides that a tier 2 city may annex a road or right of way upon the request of the governing body of the political subdivision that maintains the road or right of way. In such case the annexation procedure is the process applicable to a tier 1 city. The County agrees within 14 days from the effective date of this Agreement to place and consider an item on the Commissioner's Court agenda to request that the City of Bee Cave annex Great Divide.

B. The City will within 14 days from receipt of the County's request for the City to annex Great Divide, place an item on the agenda for the next regular council meeting of the Council of the City to consider adoption of an ordinance to commence the annexation process for Great Divide. If such ordinance is approved, the City will thereafter follow the annexation procedures and conduct public hearings as provided by Chapter 43 of the Local Gov't Code. Upon completion of the public hearings and other requirements set out in Chapter 43, the City shall place an item on the City's agenda to consider adoption of an Ordinance annexing Great Divide.

C. Pursuant to Section 43.142 of the Local Gov't Code, a home-rule municipality may disannex an area in the municipality according to rules as may be provided by the charter of the municipality. The City hereby agrees that within thirty days of receipt of a request from the District to place an item on the agenda for a council meeting of the Council of the City to initiate disannex of the City Roadway Portion as depicted in Exhibit "C".

D. In exchange for the County and the School District constructing the Vail Divide Southern Extension, the City hereby agrees to defer its regulatory oversite for

12 16

2

construction and approval of the Vail Divide Southern Extension project to the authority and regulations of the County. No permits or other approvals of the City shall be required for construction of the Vail Divide Southern Extension.

E. Within 90 days from the date of the annexation of Great Divide, the City agrees to retain an engineering firm to study Great Divide and provide recommendations to the City regarding possible bridge solutions to replace the low water crossing with a bridge and possibly establishing a secondary emergency access route other than Great Divide (the "Alternative Improvements").

F. Within 90 days from the date that the engineering firm provides recommendations regarding possible bridge solutions, the Council of the City will consider and make appropriate decisions regarding the most cost-effective solution to replace the low water crossing with Alternative Improvements.

G. Within six months from the date that the City makes a decision regarding the appropriate solution for a bridge, the City will retain an engineering firm to design the Alternative Improvements.

H. Within 90 days from the completion of the design, the City will commence the procurement process for construction of the Alternative Improvements that have been selected. Construction shall be commenced and completed as soon as reasonably possible and subject to appropriations by the City.

I. Prior to hiring an engineering firm, the City will consider a budget amendment for the current fiscal year to include the costs of the engineering study and the design of the Alternative Improvements. Prior to commencing the procurement process for construction, the City shall consider as part of its budget process for fiscal year 2019-2020 the costs associated with construction of a bridge and any professional services needed to complete design or support construction. Funds may be budgeted from the City's general fund, or a special fund may be set up, or the City may consider issuance of bonds for the bridge project, or any other legally available source of revenue.

J. Upon the City's annexation of Great Divide, the County agrees to in good faith negotiate and within 90 days enter into an agreement with the School District for the design and construction of the Vail Divide Southern Extension in an amount sufficient to cover design and construction costs of the Vail Divide Southern Extension.

K. County agrees to in good faith and diligently pursue completion of the Vail Divide Southern Extension construction which is estimated to be completed on or before May 2022.
